## Turn up the Tempo.

Exclusive to Target Furniture NZ the super stylish Tempo range gives you a fresh, fun and friendly feel with the warmth of its blonde wood grain finish.

The simple lines, streamlined brushed metal handles and legs give it a very urban vibe that would fit well in any contemporary home, particularly if you love that Scandinavian or modern coastal look. It's not only about good looks though. Tempo furniture is made here in NZ and comes with a 10 year guarantee. All drawers are mounted on full extension metal runners and fully furnished internally, and there is a great range of unit configuration options and sizes available. Tempo is a hot option for modern urban style.

Slim-line metal handles.

Matching tall feet.
