## Sleek, fresh-faced and ready to reinvent your room.

Light, bright and ready to freshen up your space, the Tori collection offers well-made, sleekly designed Scandinavian style furniture to give you a youthful, minimalist look.

The crisp white is offset with blonde beech plywood drawer fronts, trendy exposed ply edges, and cutout drawer-pulls that show the ply layering. Mounted on full extension, easy glide runners, the drawers are built tough to take the knocks any teenage can give. The beech feet lift the pieces giving them a light and airy feel, and creating the illusion of space. You'll find a stack of options when it comes to storage – headboards, under bed drawers, and a slim wardrobe – a huge plus for any teen bedroom. Plus, all pieces come with a standard 10 year Platform 10 guarantee. So try a fresh new look in your room.
