4H x 3W Cube (CUB CU1612)

Stash, store and show off in style!

Make life simple with the ultra versatile Cubo collection.

Display, store, divide spaces, and more with this multi-functional range.

Solidly built with a unique interlocking design for rigidity, the Cubo collection has a clever open back panel so it can be placed against a wall or freestanding as a smart room feature. Cubo stands out from the crowd with several other smart features – a small removable glide foot makes transportation and cleaning easier, and the multiple storage options. Choose your storage style; coloured felt storage boxes for a pop of colour or the classy drawer and door module for a more polished look. All storage boxes, drawers and doors are made to fit neatly into the cavities of the Cubo for simple storage. With a 10 year guarantee it's a popular style for good reason, so make a solid choice in Cubo. All units available either as flat pack or fully assembled.

Matching felt storage boxes.

Small removable glide foot.
