Add a suave look to your style.

Our Baltic range certainly makes an impact with its smart, clean lines and striking dark finish.

Very minimalist in style, it will give your space a sleek, modern and uncomplicated look, fitting in smoothly with your existing pieces. The slim-line metal handles and matching cube feet create a great contrast to the bold black Baltic finish. All drawers are mounted on full-extension, easy glide runners and are furnished internally. The key components are finished in a thermo laminate for increased durability. Plus, all products are backed by a 10 year guarantee, so you can be sure the quality and style will last. All pieces in the Baltic range come ready-made so you can style your space in no time. Make a bold statement with Baltic!
